Description of Application: _____

FCC/MELLON

FEB 09 2000

Before the
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

In the Matter of
EvanNet Communication Inc.
Application for authority pursuant File No. I.T.C.-96-
to Section 214 of the
Communications Act of 1934,
as amended, for global authority
to operated as an international
facilities-based and resale carrier

Application

EvanNet Communication Inc. (EvanNet), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rule, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

EvanNet Communication is a new U.S. Company organized to provide international telecommunications services. Net IDD has no foreign affiliations. EvanNet serves business and residential customers throughout the United States by PTSN Network or the combination of PTSN and internet network, e.g., EvanNet provides the routing service of voice and fax call originated from the customers in the United States by 800 number to the server and then to the destination countries through the internet network. Or vice versa.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to EvanNet.

Section 63.18 information
