Re: File Number ITC-214-20000225-00116

Dear Ms. Dortch:

TDS Long Distance Corporation ("TDS"), by its attorneys, hereby surrenders the above-referenced license, issued by the Commission on March 22, 2000, authorizing the company to provide global or limited global international telecommunications service on a resale-only basis.

TDS is surrendering this license because, on January 30, 2009, the company was issued a new license in File Number ITC-214-20090106-00010 to provide both international facilities-based and resold international telecommunications service. Because TDS is operating under this new license, the above-referenced resale-only license is superfluous and no longer needed.

TDS's surrender of its resale-only license is not expected to have any effect on the company's operations or on its subscribers.

Kindly date-stamp the additional copy of this letter and return it to the awaiting messenger. Any question concerning this submission should be addressed to the undersigned.

Respectfully submitted,

Yaron Dori
Counsel for TDS
