**APPLICATION FOR STREAMLINED  
INTERNATIONAL SECTION 214 AUTHORIZATION**

Madison Telephone Co., Inc. ("Madison" or "Applicant") requests authorization, pursuant to Section 214 of the Communications Act and Section 63.18 of the Commission's Rules, to resell the switched international telecommunications services of other common carriers between the United States and international points. See 47 U.S.C. § 214 (1988); International Section 214 Streamlining Order, 61 Fed. Reg. 15,724, 15,729 (1995) (codified at 47 C.F.R. § 63.18).

Madison requests authorization to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2) of the Rules. Unless formally opposed, the present application qualifies for streamlined treatment under Section 63.12 of the Rules. See International Section 214 Streamlining Order, supra at 15,728 (codified at 47 C.F.R. §§ 63.12).

Madison's proposed resale of telecommunications services will augment international telecommunications competition and, consequently, the public interest will be enhanced. Madison will purchase switched telecommunications services at volume discounts, and resell the services to its customers with efficient incorporation of its savings. The public interest will be served through Madison's offering of rates that will be competitive with other similarly situated telecommunications carriers. Madison's resale operations will encourage competition in the telecommunications market through the introduction of telecommunications innovation and the rapid implementation of cost

sensitive pricing for the benefit of the public.

Grant of this application will serve the public interest, convenience and necessity and in support thereof, the following information is submitted pursuant to Section 63.18 of the Commission's Rules:
