Authority to Operate as a Resale Carrier)

APPLICATION

Globalinx Corporation ("Globalinx"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, and Section 63.18 of the Commission's Rules, to provide global international resale services between the United States and international points.

Globalinx is a new U.S. company organized to provide a variety of domestic and international telecommunications services on a resale basis. Globalinx has no foreign affiliations. Globalinx intends to resell its services to other providers serving business and residential customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by grant of Section 214 authority to

Globalinx.
