Re: Supplemental Notice Concerning Granted Section 214 Authorization
Arapahoe Cable T.V., Inc. renamed as Applied Communications
Technology, Inc.
FCC File No. ITC-214-20000502-00256

Dear Mr. Ball:

This letter is submitted for informational purposes for association with the Commission's files concerning the above-referenced certification granted to Arapahoe Cable T.V., Inc. (d/b/a ATC Long Distance) under Section 214 of the Communications Act of 1934, as amended, to provide global or limited global resale service.

As of October 13, 2000, the corporate name of entity was changed from Arapahoe Cable T.V., Inc. to Applied Communications Technology, Inc. There has been no change in the "d/b/a" under which service is marketed. That name remains "ATC Long Distance."

Should any questions arise with respect to this matter, please communicate directly with this office.

Very truly yours,

David L. Nace
