Re: JED Telecom, Inc. Request for Global Facilities-Based 214 Authority
Electronic Submission ID#ITC-214-20000515-00288

Dear George:

JED Telecom Inc., by its attorneys, hereby amends the global, facilities-based 214 application it submitted on May 12, 2000. We hereby request that the Commission sever the request to use New Skies 806 and Solidaridad from the main request to use ALSAT. JED Telecom understands that the request to use ALSAT will thus be streamlined under Section 63.12 of the Commission's Rules.

JED Telecom respectfully hopes that this amendment will allow its 214 request to use ALSAT to be put on public notice this Friday. JED Telecom will file a separate Section 214 application to use the New Skies 806 and Solidaridad satellites. Thank you very much.

Very truly yours,

Helen E. Disenhaus
