Jackie,

The electronic application that we filed with the FCC on 6/1/00 for IntellCell.com, Inc. had a typographical error on the company name. We filed the application as:

Intell Cell.com, Inc. and the correct spelling of the company is IntellCell.com, Inc.

There should be no space after "Intell". Please correct this for me and I will be forever grateful.

Thank you so much!
