Telefónica Data USA, Inc. is an authorized carrier under Section 214. In the past years, Telefonica Data has been operating under the "doing business name" TDATA. Recently, and in alignment with its holding company image, TDATA lounged a plan to substitute its d/b/a for Telefonica Empresas. As required by FCC Section 63.21 (i) Telefonica Data USA, Inc. (TDATA) hereby notifies the FCC of such changes. However, it is important to emphasize that the corporate name remains the same.

A copy of this notification also was sent on an electronic format sent to Mikelle Morra at MikelleMorra@fcc.gov. Enclosed is a duplicate for date stamp and return on the self addressed stamped envelope.

Please contact the undersigned either by email (leonor.rivera@tldpr.com) or telephone number (787) 749-5880 ext 5627, if you have any question concerning this filing.
