Before the  
FEDERAL COMMUNICATIONS COMMISSION  
Washington, D. C. 20554

FCC/MELLON

JUL 07 2000

In the matter of  
Techman International Corporation  
Application for authority pursuant File No. I.T.C. -96-79  
to Section 214 of the  
Communications Act of 1934,  
as amended, for global authority  
to operate as an international  
facilities-based and resale carrier

---

Techman International Corporation (“Techman”), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission’s Rules, 47 F.C.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Techman is a technology management company specializing in satellite communications, telemedicine, electronics, and fiber optic based instrumentation systems for the telecommunications industries. Techman has been in business since 1982 and serves business customers throughout the United States, Europe, Asia, and the Middle East. Techman has no foreign affiliations. However, it has branch offices in Pakistan and the United Arab Emirates.

By granting this application, the Commission will serve the public interest, convenience, and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Therefore, the public interest will be served by the grant of Section 214 authority to Techman.
