International telecommunications services will be obtained by VIC from other common carriers who are currently authorized by the Commission to provide international service. Initially, VIC will only resell international switched services. However, VIC requests authority to resell private line service in the future as contemplated under Section 63.18 (e) (2) and subject to the restrictions imposed therein.

The provision of international service by VIC will not have any significant impact on the general provision of such service to the public. However, additional competition in the market, including the competition of VIC, benefits consumers of international telecommunications services. The benefits of competition include lower prices and increased availability of a variety of service options. Thus, the grant of this authorization is consistent with the public interest.

In support of VIC Telehome, Inc.'s request for authorization, the following information is submitted pursuant to Section 63.18 of the Commission Rules, 47 C.F.R. Section 63.18.

(A) The name, address and telephone number of the applicant:

VIC Telehome, Inc.
28 West Flagler Street
Suite 408
Miami, Florida 33130
Telephone: (305) 375-6765
Facsimile: (305) 375-6733

(B) VIC Telehome, Inc. is organized under the laws of the State of Florida.

(C) Correspondence concerning this application should be sent to:

- (D)** VIC Telehome, Inc. has not received previous authority under Section 214.
- (E)** VIC Telehome, Inc. requests Section 214 Authority to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2).
- (F)** See (E) above.
- (G)** VIC Telehome, Inc. does not seek facilities-based authority under Section 63.18(e)(6).

(H) Applicant certifies that there exist no interlocking directorates with any foreign carrier. In support of its request, VIC submits the following information on its ten percent or greater direct and indirect shareholders or other equity holders.

| <u>Name/Address</u> | <u>Citizenship</u> | <u>Principal Business</u> |
|---|--------------------|---------------------------|
| Alejandro Loring 28 West Flagler Street Suite 408 Miami, Florida 33130 | Spain | Telecommunications |

(I) VIC Telehome, Inc. certifies that it is not a foreign carrier nor is it affiliated with any foreign carrier.

(J) VIC Telehome, Inc. certifies that it is not a foreign carrier, nor does it control a foreign carrier as defined in Section 63.09(d), in any country. VIC further certifies that no owner controls a foreign carrier in any country. Finally, VIC certifies that no two or more foreign carriers, or parties that control foreign carriers, own more than 25% of the applicant, or are parties to or beneficiaries of a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.

(K) See (J) above.

(L) See (J) above.

(M) See (I) above.

- (N) VIC Telehome, Inc. certifies that it has not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route, where the foreign carrier possesses sufficient market power on the foreign end of the route to affect competition adversely in the U.S. market, and will not enter into such agreements in the future.
- (O) VIC Telehome, Inc. certifies that neither VIC nor any party to this application is subject to a denial of Federal benefits, as provided in the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853a.
- (P) VIC Telehome, Inc. requests streamlined processing of this application pursuant to Section 63.12. In support of this request, VIC states that it is not affiliated with a foreign carrier in a destination market, is not affiliated with a dominant U.S. carrier whose international switched or private line services it plans to resell, nor does it seek authority to provide switched basic services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines.

CONCLUSION

As demonstrated in this application, VIC Telehome, Inc. is legally, financially and technically qualified to provide the services for which it requests authority. For the reasons stated above, applicant submits that the public interest, convenience and necessity would be furthered by a grant of this Section 214 application.

Dated this 10th day of July 2000.
