("SBC") hereby notifies the Commission of the *pro forma* assignment of the following international Section 214 authorizations. These *pro forma* assignments were completed on September 29, 2000 as a result of internal restructuring within SBC as part of its joint venture with BellSouth Corporation.

The international Section 214 authorization previously held by Ameritech Mobile Communications, Inc. (File No. ITC-214-19960418-00152) was assigned to Ameritech Mobile Communications, LLC; the international Section 214 authorization previously held by Ameritech Wireless Communications, Inc. (File No. ITC-214-20000720-00425) was assigned to Ameritech Wireless Communications, LLC; the international Section 214 authorization previously held by Pacific Telesis Mobile Services (File No. ITC-214-20000516-00368) was assigned to Pacific Telesis Mobile Services, LLC; and the international Section 214 authorization previously held by SNET Mobility, Inc. We hereby certify that these assignments were *pro forma* as defined in Section 63.24(a) of the Commission's Rules, and these *pro forma* assignments, together with any previous *pro forma* transactions involving these authorizations, did not result in a change of the entities' ultimate control.
