APPLICATION

POWERTEL, Inc. ("Powertel" or "Applicant"), by its attorneys and pursuant to Section 214 of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. § 214, hereby requests global resale carrier authority pursuant to the terms and conditions of Section 63.18(e)(2) of the Commission's Rules, in order to provide international resold services between the U.S. and all foreign points as authorized by the Commission.

I. SUMMARY

Powertel provides digital wireless personal communications services ("PCS") in the southeastern United States. Powertel has no affiliation, as defined in Section 63.09(e) of the Commission's Rules, with any foreign carrier in any of the destination countries for which authority is requested, nor is Powertel affiliated with any dominant U.S. carrier whose services Powertel may resell. Thus, pursuant to Section 63.10 of the Commission's Rules, Powertel should be classified as a nondominant carrier in its provision of international service on all

requested routes.

The Commission's grant of Section 214 authority to Powertel in response to this Application would serve public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Furthermore, this Application is entitled to streamlined processing under Section 63.12 of the Commission's Rules.

II. INFORMATION REQUIRED BY SECTION 63.18

Pursuant to Section 63.18 of the Commission's Rules, Powertel sets forth the following information in support of this Application:

- (a) The name, address, and telephone number of the Applicant is:

Powertel, Inc.
1239 O.G. Skinner Drive
West Point, Georgia 31833
706-645-2000

- (b) Powertel is a corporation organized under the laws of the state of Delaware.

- (c) Correspondence concerning this Application should be sent to:

Jill F. Dorsey, General Counsel
POWERTEL INC.

with copies to:

Edward A. Yorkgitis, Jr.
KELLEY DRYE & WARREN, LLP
1200 19th Street, NW
Washington, DC 20036
(202) 955-9600

- (d) Powertel has never applied for nor been granted authority under Section 214.

(e) Powertel requests global international resale Section 214 authority pursuant to the terms and conditions of Section 63.18(e)(2) of the Commission's Rules. Powertel requests authority to serve all countries possible under a grant of global authority. As evidenced by the certification provided in Attachment A, Powertel will comply with the terms and conditions contained in Sections 63.21 and 63.23 of the Commission's Rules.

(f) No response required.

(g) Not applicable.

(h) As of the date of this Application, the following persons or entities directly or indirectly hold ten percent or greater interest in Powertel:

SCANA Communications Inc.
440 Knox Abbott Drive
Suite 240
Cayce, SC 29033
Citizenship: United States
Principal Business: Provision of telecommunications services in the southeastern United States
Ownership Percentage: 28.1%
Relations: SCANA Communications is a wholly owned subsidiary of SCANA Corporation, a public utility holding company. SCANA Corporation is a U.S. citizen whose address is the same as SCANA Communications. There are no owners of SCANA Corporation that qualify as 10 percent or greater shareholders of Powertel under the Commission's Rules.

Relations: There are no owners of ITC that qualify as 10 percent or greater shareholders of Powertel under the Commission's Rules.

There are no interlocking directorates with foreign carriers in the countries for which authority is requested.

(i) As evidenced by the certification provided in Attachment A, Powertel is not affiliated with any foreign carrier.

- (j) Not applicable; Powertel is not affiliated with any foreign carrier.
- (k) Not applicable.
- (l) Not applicable.
- (m) Not applicable.
- (n) As evidenced by the certification provided in Attachment A, Powertel has not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses sufficient market power on the foreign end of the route to affect competition adversely in the U.S. market and will not enter into such agreements in the future.
- (o) As evidenced by the certification provided in Attachment A, no party to this Application is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.
- (p) Powertel requests streamlined processing pursuant to Section 63.12 of the Commission's Rules. This Application is eligible for streamlined processing because Powertel is not affiliated with foreign carriers on any route for which authority is sought nor is Powertel requesting authority to provide switched services over private lines to countries not previously authorized for this service.

For these reasons, Powertel requests that the Commission grant this Application.

Respectfully Submitted,
