In the Matter of
UNITED TECHNOLOGY SERVICES, INC.
Application for authority pursuant
To section 214 of the
Communications Act of 1934,
As amended, for global authority
To operate as an international
Facilities-based and resale carrier

File No. I.T.C. 2000 _____

UNITED TECHNOLOGY SERVICES, INC. (UTS Inc), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. section 214 (1982), and Section 63.18 of the Commission's rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

United Technology Services, Inc. (UTS Inc.) is a U.S. company organized to provide domestic and international telecommunications services. UTS has no foreign affiliations. UTS serves business, affinity groups and corporations throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be better served by the grant of Section 214 authority to UTS Inc.

Section 63.18 information is hereby submitted, as required by section 63.18 of the Commission's Rules, in support of UTS's request for authorization.
