Re: Leading Edge Broadband Service, Inc.
Cancellation of Authority issued under Section 214 of the Communications Act
of 1934, as amended, 47 U.S.C. § 214
File No. ITC-214-2000-0828-00493

Dear Madame Secretary:

Leading Edge Broadband Services, Inc. ("LEBBSI"), by counsel, hereby notifies the Commission that it no longer provides any service under the referenced file number. At the time that LEBBSI discontinued service, it had no customers at all. LEBBSI, itself, has wound up its business.

Please give me a call with questions concerning this matter.

Very truly yours,

Marjorie K. Conner
