Application for authority pursuant
to Section 214 of the
Communications Act of 1934,
as amended, for global authority
to operate as an international
facilities-based and resale carrier

Streamlined ITC-214-20000901-00617
INTELLIG TELECOMUNICACOES LTDA

Application

Intelig Telecomunicações Ltda (“Intelig”), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), Section 63.18 of the Commission’s Rules, 47 C.F.R. Section 63.18, and Section 63.50 of the Commission’s Rules, 47 C.F.R. Section 63.50 to file an amended application to acquire facilities and to operate as an international facilities-based and resale carrier and to provide switched services over private lines between the U.S. and France and the U.S. and Argentina.

Intelig is a Brazilian company which is almost 100% owned by JVCO Participações. JVCO Participações is 50% owned by the National Grid Brazil B.V., and 50% owned by a Telecom Entity. This Telecom Entity is 50% owned by France Telecom Participations U.S., Inc., a Delaware corporation, which is wholly owned by Cogecom S.A., which is itself wholly owned by France Telecom, and 50% owned by Sprint Holding, which is itself a wholly owned subsidiary of Sprint Corporation. National Grid Brazil is a wholly owned subsidiary of The National Grid Group, PLC. The National Grid Group is a Dutch Company. (See Exhibit A). Intelig serves home and business customers throughout Brazil and is organized to provide international telecommunications services. Intelig currently holds no FCC authorizations to provide international services.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and fostering downward pressure on rates. Thus, the public interest will be served by the grant of Section 214 authority to Intelig.

This application qualifies for the Commission's streamlined processing procedures pursuant to Section 63.12, because for each foreign country considered under this application either Intelig has no affiliate or the affiliate qualifies for a presumption of non-dominance under Section 63.10(a)(c). In addition, Intelig is only seeking ISR on approved routes.

Section 63.18 Information

The following information is submitted, as required by Section 63.18 of the Commissions' Rules, in support of Intelig's request for authorization.

- (a) Intelig Telecomunicações Ltda.

- (d) Intelig has not received authority previously under Section 214 of the Communications Act.
- (e) Intelig requests authority pursuant to Section 63.18(3)(1) and 63.18(e)(2) of the Commission's Rules to acquire and operate facilities and to operate as a global facilities-based and resale carrier and to provide switched services over private lines between the United States and France and the United States and Argentina. Intelig will provide these services using authorized cable and satellite facilities.

Intelig certifies that it will comply with the terms and conditions contained in Section 63.21, 63.22 and 63.23 as appropriate.

- (f) At this time, Intelig seeks no other authorization available under Section 63.18(e), without prejudice to Intelig's right to file a separate application for services not subject to streamlined processing.
- (g) There is no environmental assessment required in connection with this application.
- (h) In support of this certification, the name, address, citizenship and principal business of each shareholder that controls ten percent or more of Intelig Telecomunicações Ltda. is listed in Exhibit A. Intelig certifies that there are no other shareholders, either direct or indirect, that control ten percent or more of Intelig Telecomunicações Ltda.
- (i) Intelig certifies that it is a Brazilian carrier authorized to provide long distance and international distance services in Brazil, and that it is affiliated with entities that may be considered foreign carriers as described in Exhibit B.
- (j) Intelig certifies pursuant to 63.18(j)(3), that it seeks to provide service to France and Argentina, where France Telecom, an affiliate of Global One, is a foreign carrier.
- (k) France and Argentina are members of the World Trade Organization.
- (l) Intelig will file quarterly traffic reports pursuant to Section 43.61(c) of the Commission's Rules.
- (m) Intelig agrees to be classified as dominant between the U.S. and France and the U.S. and Argentina, without prejudice to a petition to file for reclassification at a later date.
- (n) Intelig certifies that it has not agreed and will not agree in the future to accept any direct or indirect special concessions from a foreign carrier or administration with regards to traffic or revenue flows between the United States and any foreign countries the company is authorized to serve.
- (o) Intelig certifies that no party to this application has been denied federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

Conclusion Grant of this application will introduce a new, competitive international telecommunications carrier in the U.S., providing opportunity for additional consumer choice. In conclusion, Intelig certifies that all of the information in this application is accurate and correct.

(n) Intelig certifies that it has not agreed and will not agree in the future to accept any direct or indirect special concessions from a foreign carrier or administration with regards to traffic or revenue flows between the United States and any foreign countries the company is authorized to serve.

(o) Intelig certifies that no party to this application has been denied federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

Conclusion Grant of this application will introduce a new, competitive international telecommunications carrier in the U.S., providing opportunity for additional consumer choice. In conclusion, Intelig certifies that all of the information in this application is accurate and correct.

For these reasons, Intelig respectfully requests that the Commission grant this application. Respectfully submitted,

INTELLIG, TELECOMUNICAÇÕES
