**Re: Surrender of International Section 214 Authorization
(File No. ITC-214-20000908-00518) and Domestic 214 Authority**

Dear Ms. Dortch:

This letter informs the Federal Communications Commission (“FCC”) that the international Section 214 authorization held by Wiki Wiki Telecom, Inc. (“Wiki Wiki”), File No ITC-214-20000908-00518, is hereby surrendered. The company is no longer operating and has not served any customers since 2009. As the company does not provide service to any customers pursuant to this authorization – and did not at the time it ceased operations – it is not required to provide notice of international service discontinuance pursuant to Section 63.19 of the Commission’s rules, 47 C.F.R. § 63.19. The authorization is being surrendered as an administrative matter to update the FCC’s records.

The Commission is additionally hereby notified that the domestic Section 214 authority issued to Wiki Wiki is also surrendered. Because Wiki Wiki does not provide service to any customers – and did not at the time it ceased operations – it is not required to provide notice of domestic service discontinuance pursuant to Section 63.71(a) of the Commission’s rules, 47 C.F.R. § 63.71(a).

Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/ Colleen King
