Re: Section 63.19 Discontinuance Notice of tw telecom of oklahoma llc

Dear Ms. Dortch:

Pursuant to Section 63.19 of the Commission's rules, 47 C.F.R. § 63.19, enclosed is a copy of the customer notice **tw telecom of oklahoma llc** ("**tw telecom of oklahoma**") sent to the customers of its Complete Dynamic ATM service in the Tulsa, Oklahoma metropolitan area today, March 11, 2013. The notice informs customers that the Complete Dynamic ATM service will be discontinued in the Tulsa metropolitan area on or after April 26, 2013, provided that **tw telecom of oklahoma** obtains the necessary regulatory approval.

tw telecom of oklahoma currently provides international service pursuant to the international Section 214 authorization of **tw telecom holdings inc.**, File No. ITC-214-20000927-00570, which directly and wholly owns **tw telecom of oklahoma**. The Complete Dynamic ATM service bundle includes a toll service that permits subscribers to call internationally. **tw telecom of oklahoma** plans to discontinue all aspects of its bundled Complete Dynamic ATM service, including the international component, in the Tulsa metropolitan area. Toll services will continue to be available to Tulsa customers as part of other bundled services offered by **tw telecom of oklahoma** and pursuant to **tw telecom of oklahoma's** published tariffs and rate schedule. A domestic application to discontinue the Complete Dynamic ATM service in the Tulsa metropolitan area is being filed simultaneously with the Wireline Competition Bureau pursuant to Section 63.71 of the Commission's rules, 47 C.F.R. § 63.71.

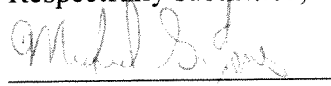

By this letter, **tw telecom of oklahoma** informs the International Bureau that the Complete Dynamic ATM service will be discontinued on or after April 26, 2013 with respect to the remaining customers, provided the Wireline Competition Bureau approves the proposed discontinuance.

**Important Notice Regarding Discontinuance of Complete Dynamic ATM Service
provided by tw telecom of oklahoma llc ("tw telecom")**

Dear Customer,

Last year, we notified you that the equipment currently being used to provision the Complete Dynamic ATM service is no longer supported in **tw telecom's** current product portfolio. At that time, we allowed you to continue to use your service as long as you did not require any modifications/additions to your existing services. The time has come, however, to remove the outdated equipment supporting the Complete Dynamic ATM service from our network. This letter serves as formal notice that, subject to the approval of the Federal Communications Commission ("FCC"), **tw telecom of oklahoma llc** plans to discontinue the Complete Dynamic ATM service at the above-referenced location on or after April 26, 2013.

In order to maintain continuous service at your location, we need to begin migration of your service to another **tw telecom** service that will best benefit your business or move your service to another telecommunications service provider by April 26, 2013. Provided that the FCC approves the proposed discontinuance, **if you have not made arrangements to replace your Complete Dynamic ATM service prior to April 26, 2013, please be advised that your service will be disconnected on April 26, 2013.**

We would like to work with you to migrate your service to the Converged Services platform currently offered by **tw telecom**, which is based on the latest equipment and communications technology. Converged Services allow you to fully integrate Voice (analog lines, PRI, digital trunks) with data (VPN) and/or Internet and Security services on a single connection. Data, Internet and Voice services dynamically share all bandwidth, and the voice traffic is always prioritized over data.

If you wish to contact me to discuss Converged Services or another service offering from **tw telecom**, you may do so at the number or email provided below.

If you also subscribe to other services from **tw telecom**, those services will NOT be impacted by the anticipated discontinuance of the Complete Dynamic ATM service. Your other services will remain in place with no change to the applicable rates, terms, or conditions.

We sincerely regret any inconvenience this may cause you and your organization, but look forward to continuing our relationship and providing a new service that meets your telecommunications needs. **tw telecom** is dedicated to providing the finest business communications services and customer care available, allowing you to focus on your business. Please contact me before April 26, 2013 to talk about **tw telecom**'s Converged Services or our other communications solutions that may best fit your business.

Sincerely,

tw telecom of oklahoma llc is required by the FCC to provide the following statement:

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of **tw telecom of oklahoma llc**. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
