Re: Everest Connections Holdings, Inc. Surrender of International Section 214
Authorizations Not Required for Operations

Dear Ms. Dortch:

Everest Connections Holdings, Inc. ("Everest") hereby updates the Commission's records and surrenders the four International Section 214 Authorizations identified on the attached Exhibit A. Everest Midwest, LLC, an indirect wholly owned subsidiary of Everest Connections Holdings, Inc., provides international telecommunications services pursuant to File No. ITC-214-20060106-00007. International services are not provided pursuant to the international Section 214 authorizations listed in Exhibit A. This surrender of Section 214 authorizations does not involve the discontinuance of service to any customer. Accordingly, the international Section 214 authorizations listed in Exhibit A are hereby surrendered, effective immediately.

Please contact the undersigned should you have any questions regarding this submission.

Respectfully submitted,

Rod M. Siemers
Chief Financial Officer
