Re: Tritel Communications, Inc.
Request for Section 214 Authority

110-214-20001016-04596

Dear Ms. Salas:

In our application requesting Section 214 Authority to provide global or limited global resale authority to all international points, Tritel Communications, Inc. ("Tritel") provides that only the following entities have greater than a 10 percent direct or indirect interest in Tritel: AT&T Wireless PCS, Inc., Dresdner Kleinwort Benson Private Equity Partners, L.P., Consecq, Inc. and Airwave Communications, LLC. Tritel hereby certifies that no individual or entity has an interest in any of these entities that such interest would create a greater than 10 percent indirect equity interest in Tritel.

In the event that you have any questions with respect to this matter, please contact me.

Respectfully submitted,

James H. Neeld, IV
