Before the  
Federal Communications Commission  
Washington, D.C. 20554

Telecom Division  
International Bureau

In the matter of  
Planet Telecom, Inc.  
Application for authority pursuant File No. I.T.C.-96—  
to section 214 of the  
Communications Act of 1934  
as amended, for global authority  
to operate as an international  
facilities-based and resale carrier.

**Application:**

Planet Telecom, Inc. ("Planet Telecom"), hereby requests authority pursuant to Section 214 of the Communications Act of 1934 as amended, 47 U.S.C. Section 214 (1982) and Section 63.18 of the Commission Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Planet Telecom is a new U.S. company organized to provide international telecommunications services. Planet Telecom has no foreign affiliations. Planet Telecom serves business customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Planet Telecom.

The following information is submitted as required by Section 63.18 of the Commission's Rules in support for Planet Telecom's request for authorization.
