Thank you for your continued patience. As indicated on my voice message, which you may or may not have received, the shareholders which control 10 or more percent of the above captioned corporation should not include North Bridge. Further, the Audax Venture Fund, L.P. will now own in excess of 45% of the Company. Finally, the Audax Venture Fund, L.P. has no shareholders, or partners, having greater than 10% interest.
