Re: Telepak Networks, Inc. - File No. ITC-214-20010125-00027

Dear Ms. Dortch:

This letter is to report that one of the providers of global resale service under the international Section 214 authorization held by Telepak Networks, Inc. is changed from a corporation to a limited liability company.

On December 31, 2010, "Cellular South Licenses, Inc." was merged into "Cellular South Licenses, LLC" with the latter being the surviving company. There has been no transfer of control. The sole stockholder of Cellular South Licenses, Inc. was Cellular South, Inc. which is now the sole member owner of Cellular South Licenses, LLC. As previously reflected in the Commission's files, the ultimate controlling company is Telapex, Inc. which is the sole stockholder of Cellular South, Inc. (formerly named Telepak, Inc.)

If any questions arise, please communicate with this office.

Very truly yours,

David L. Nace
