Re: Telepak Networks, Inc. - File No. ITC-214-20010125-00027

Dear Ms. Dortch:

This letter is to report that two additional affiliates of Telepak Networks, Inc. ("Telepak") rely upon the above-referenced international Section 214 authorization held by Telepak: Franklin Telephone Company, Inc. ("Franklin") and Delta Telephone Company, Inc. ("Delta"), both of which are corporations organized under the laws of Mississippi.

As already reflected in the Commission's files, the ultimate controlling company is Telapex, Inc. ("Telapex"). Each of the companies that relies upon the international Section 214 authorization held by Telepak, including Franklin and Delta, is a direct or indirect wholly owned subsidiary of Telapex. All are pure resellers of international telecommunications services. There are no affiliations between any of the Telapex controlled carriers and any foreign carrier.

If any questions arise, please communicate with this office.

Very truly yours,

David L. Nace
