Communications Act of 1934, as
amended, for global authority to
operate as an international
facilities-based and resale carrier

File No. I.T.C. - __ - _____

Application

Frontera Telecommunications, Inc. ("Frontera"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Frontera is a new U.S. company organized to provide local, domestic, and international telecommunications services. Frontera has no foreign affiliations. Frontera will serve business and residential customers in Texas.

By granting this application, the Commission will serve the public interest, convenience, and necessity by promoting competition in the international services market.
