Application for Authority  
Pursuant to Section 214 of the  
Communications Act of 1934,  
As Amended, for Global Authority  
To Operate as an International  
Facilities-Based and Resale Carrier  
Between the United States and

**APPLICATION**

Call US, Inc. (“Call US” or “Applicant”), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (2000), and Section 63.18 of the Commission’s Rules, 47 C.F.R. Section 63.18 (2000), to provide global international facilities-based and resale services between the United States and various international points.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. This increased competition will benefit U.S. consumers by increasing options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Call US.

**I. Information Required under Section 63.18**

The following information is submitted, as required by Section 63.18 of the Commission’s Rules, in support of Call US’ request for authorization.

(d) Call US has not received authority previously under Section 214 of the Communications Act.

(e) Call US requests global facilities-based and resale Section 214 authority pursuant to the terms and conditions of Section 63.18(e)(1) and (e)(2) of the Commission's Rules. The Applicant does not wish to exclude any countries from its application for authorization under these sections.

Further, Call US certifies that it will comply with the terms and conditions contained in Sections 63.21, 63.22 and 63.23 of the Commission's Rules.

(f) Together in this single application, Call US seeks both global facilities-based and resale Section 214 authority pursuant to the terms and conditions of Section 63.18(e)(1) and (e)(2) of the Commission's Rules.

(g) Call US does not seek any authority under Section 63.18(e)(4) of the Commission's Rules at this time.

(h) Call US certifies that Darcom Ltd. directly owns at least 10 percent of the equity of Call US because it directly owns 100 percent of the applicant. Darcom Ltd. is a foreign carrier of Israeli citizenship, located at the following address: 10 Hakishon St., Bnei-Brak 51203, Israel.

WorldCom, Inc. *indirectly* owns at least ten percent of the equity of Call US because it owns thirty-seven percent (37%) of Darcom Ltd. WorldCom, Inc. is a company of United States citizenship. Its principal executive office is located at the following address: 500 Clinton Center Drive, Clinton, Mississippi 39056. The principal business of WorldCom, Inc. is providing facilities-based local, long distance, international and Internet telecommunications services.

Shrem, Fudim, Kelnner & Co. Ltd. also *indirectly* owns at least ten percent of the equity of Call US because it owns sixty-three percent (63%) of Darcom Ltd. Shrem, Fudim, Kelnner & Co. Ltd. is an investment company of Israeli citizenship, located at the following address: 21 Ha'arba'a Street, Tel Aviv 64739, Israel. The principal business of Shrem, Fudim, Kelnner & Co. Ltd. is venture capital investment and investment in technology, telecommunications and financial companies.

The applicant also certifies that there are Interlocking Directorates with the officers of Call US and officers of Darcom Ltd., a foreign carrier. Messrs. Davidesko and Salminis are the only officers of Call US.

Mr. Moshe Davidesko serves the following roles:

- President and Chief Executive Officer of Call US, and
- President and Chief Executive Officer of Darcom Ltd.

Mr. Doron Salminis serves the following roles:

- Vice President of Sales and Marketing of Call US, and
- Vice President of Marketing and Project Manager of Darcom Ltd.

(i) Call US certifies that it is affiliated with a foreign carrier, Darcom Ltd., an Israeli carrier.

(j) Call US seeks to provide international telecommunications services to Israel. The Applicant certifies that it is one hundred percent (100%) owned by Darcom Ltd, which is a foreign carrier in Israel.

(k) Call US certifies that Israel is a member of the World Trade Organization.

(l) Call US proposes to resell the international switched services of unaffiliated U.S. carriers for the purpose of providing international telecommunications services to Israel, where Call US is affiliated with a foreign carrier, Darcom Ltd. Call US requests that it be regulated as non-dominant, pursuant to Section 63.10(a)(3), for the provision of international communications services to Israel because Darcom Ltd. lacks 50 percent market share in the international transport and the local access markets on the Israeli end of the route. In fact, Darcom Ltd. controls less than one percent (1%) of the Israeli telecommunications market. Darcom Ltd. owns only limited transmission facilities and does not have the ability to discriminate against unaffiliated U.S. international carriers through the control of bottleneck facilities.

## Conclusion

Call US respectfully requests that the Commission regulate Call US as a non-dominant carrier on the Israel-US route. In that regard, the Applicant wishes to bring to the Commission's attention that in a 1997 Commission order, WorldCom was regulated as non-dominant because its affiliate in Israel, Darcom Ltd., (1) did not have the ability to discriminate against unaffiliated US international carriers through the control of bottlenecks services or facilities in Israel, (2) controlled less than one percent (1%) of Israel's telecommunications market, which was dominated by Bezeq, and (3) did not own transmission facilities or bottleneck facilities that would enable it to discriminate against unaffiliated US carriers.<sup>1</sup> Finally, Call US certifies that all of the information in this application is accurate and correct.

For these reasons, Call US respectfully requests that the Commission grant this application.

Respectfully submitted,

**CALL US, INC.**
