Streamlined ITC-214-20010216-00103  
MEGASTAR INC. International Bureau

**In the Matter of  
Megastar, Inc.  
Application for authority  
pursuant to Section 214  
of the Communications  
Act of 1934, as amended,  
for authority to operate as  
an international facilities-based  
and resale carrier.**

**APPLICATION**

Megastar, Inc. hereby requests authority, PURSUANT TO Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18 to provide global international facilities-based and resale services between the United States and international points.

Megastar, Inc. is an established Delaware corporation organized to provide domestic and international telecommunications services principally via satellite. Megastar, Inc. has no foreign affiliations. Megastar, Inc. was previously granted Section 214 authority to provide video, private line voice and data service between the United States and various international locations. The commission's approval is stated in File I-T-C-91-108 adopted 12/21/91.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U. S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by grant of Global Section 214 authority to Megastar, Inc.

## SECTION 63.18 INFORMATION

The following information is submitted, as required by Section 63.18 of the Commission's Rules, in support of Megastar, Inc.'s request for authorization.

(a) Megastar, Inc.  
701 Desert Lane, Suite 4  
Las Vegas, NV 89016

(b) Megastar, Inc. is incorporated under the state laws of Delaware.

(c.) Correspondence concerning this application should be sent to:

(d) Megastar, Inc. was granted Section 214 authority to provide international services between the United States and other international locations. The commission's approval is stated in File I-T-C-91-108. This authorization was to provide International video, private line voice, IBS and IDR circuits using various satellites. Megastar, Inc. currently owns and operates a teleport in Desoto, TX to provide these services. Megastar, Inc. contemplates the purchase of a west coast teleport to provide additional services.

(e) Megastar, Inc. requests global facilities-based and resale Section 214 authorization pursuant to the terms and conditions of Section 63.18(e)(1) and (e)(2) of the Commission's Rules. Megastar, Inc. requests authorization to use the following satellite systems to provide these services: Alsat, Pan Am Sat, Columbia Communications, Loral Cyberstar ( Telstar 11 and 12 ), New Skies Satellites, Nahuelsat, Intelsat, and Stationar satellite systems. Megastar, Inc. understands that any earth stations used to provide Section 214 Global-facilities based services must be authorized under Title 3 of the Communications Act of 1934, as amended, to communicate with these

satellites. Megastar, Inc. also requests that it be specifically authorized to own facilities in other countries or areas which connect via our or US government owned facilities to the public switched telephone network in the US ( but not in the foreign country ) in support of U.S. Military actions in these countries or areas wherever they might be.

(g) Not applicable.

(h) Megastar, Inc. certifies that it is not affiliated with any foreign or U.S. facilities-based carrier.

In support of this certification, the name, address, citizenship and principal business of the sole shareholder that controls ten percent or more of Megastar, Inc. is as follows:
