Re: Prexar LLC; Application for Section 214 Authorization

Dear Ms. Salas:

Prexar LLC recently submitted an Application for Section 214 Authorization for global authority to provide facilities-based and resale services. After a discussion with Commission staff, Prexar agrees to be classified as a dominant carrier and certifies that it will comply with the Commission's dominant carrier regulations with respect to services to Canada, a WTO country, where it is affiliated with a foreign carrier. It is Prexar's understanding that with this certification its Application qualifies for streamlined processing pursuant to Section 63.12 of the Commission's Rules and that the Application will be set for immediate public notice.

Thank you for your attention to this matter.

Sincerely,

Karin L. Larson  
Counsel to Prexar LLC
