Re: Section 63.24(b) Notification of *Pro Forma* Assignment of
International Section 214 Authorized Carriers
File No. ITC-214-19960426-00172
File No. ITC-214-20010412-00206
Section 63.21(i) Notification
File No. ITC-214-20000516-00367

Dear Ms. Dortch:

Pursuant to Sections 63.21(i) and 63.24(b) of the Commission's rules, 47 C.F.R. §§ 63.21(i), 63.24(b), Cingular Wireless LLC ("Cingular") (FRN 0004-9792-33), by its attorneys, hereby files the instant notification that three wholly-owned subsidiaries, operating pursuant to either a parent company's authorization or its own authorization, as described below, have ceased to exist. The transactions described herein concluded on June 30, 2002. Therefore, this notification is timely filed pursuant to the Commission's rules.

**SECTION 63.24 PRO FORMA ASSIGNMENT &
SECTION 63.21(i) NOTIFICATIONS**

As part of an internal reorganization, Cingular streamlined its ownership interests in various Cingular-controlled subsidiaries by consolidating and re-allocating the

ownership interests among various intermediate holding companies. The reorganization will ultimately reduce Cingular's administrative costs and tax liability in connection with maintaining its subsidiaries. This in turn will give Cingular additional resources to more efficiently provide innovative communications services to the public and is therefore in the public interest.

In particular, Cingular merged the ownership interests of two wholly-owned subsidiaries, American Cellular Communications LLC ("ACC") and Louisiana Cellular Holdings, LLC ("Louisiana Cellular") on June 30, 2002, that resold international service pursuant to the authorization of BellSouth Mobility LLC (FRN 0004-2066-45), an intermediate parent company. Additionally, Cingular merged the ownership interests of another wholly-owned subsidiary SNET Mobility, LLC ("SNET") that resold international service pursuant to its own authorization, into Southwestern Bell Mobile Systems LLC ("SBMS") that resells service pursuant to authorization of SBC Wireless, LLC (FRN 0004-9766-27). The internal reorganization has resulted in two *pro forma* transactions such that various Cingular wholly-owned subsidiaries have ceased to exist. Additionally, Cingular is surrendering the 214 authority of SNET since those markets will be served pursuant to the international 214 authorization of SBC Wireless, LLC.

The domestic wireless markets once served by these entities have been assigned to other wholly-owned Cingular entities as follows:¹

- ACC (FRN 0004-2451-14) merged into BellSouth Mobility LLC ("BML") (FRN 0004-2066-45). BML is a direct wholly-owned subsidiary of Cingular. The market formerly served by the merged entities will now be served by BML, which provides service pursuant to its own international Section 214 authorization (File No. ITC-214-19960426-00172).
- Louisiana Cellular (FRN 0001-8420-04) merged into Louisiana CGSA, LLC (LCGSA) (FRN 0007-3396-74). LCGSA is a direct wholly-owned subsidiary of BML which is a direct wholly-owned subsidiary of Cingular. The market formerly served by the merged entities will now be served by LCGSA, which provides service pursuant to the international Section 214 authorization of BML (File No. ITC-214-19960426-00172).
- SNET (FRN 0004-3824-12) merged into SBMS (FRN 0004-2496-60). SBMS is a direct wholly owned subsidiary of SBC Wireless, LLC which is a direct wholly-owned subsidiary of Cingular. The international 214 authorization of SNET (ITC-214-20000516-00367) is hereby surrendered and the market served by the merged entities will now be served by SBMS, which provides service pursuant to

¹ In addition to the instant notification, Cingular is preparing other *pro forma* notifications in connection with the assignment of radio authorizations that are to be filed contemporaneously with the Wireless Telecommunications Bureau, as appropriate.

SECTION 63.24 CERTIFICATION

I hereby certify that the transaction discussed in this notification, involving wholly-owned subsidiaries operating pursuant to the international Section 214 authorizations of BellSouth Mobility LLC (File No. ITC-214-19960426-00172) and SNET Mobility, LLC, (File No. ITC-214-20000516-00367) were *pro forma* in nature, as defined in Section 63.24(a) of the Commission's rules and, together with all previous *pro forma* transactions, did not result in a change in ultimate control of the entities involved.
