)

APPLICATION FOR STREAMLINED  
INTERNATIONAL SECTION 214 AUTHORIZATION

Vernon Communications, LLC ("Vernon" or "Applicant") requests authorization, pursuant to Section 214 of the Communications Act and Section 63.18 of the Commission's Rules, to resell the switched international telecommunications services of other common carriers between the United States and international points. See 47 U.S.C. § 214 (1988); International Section 214 Streamlining Order, 61 Fed. Reg. 15,724, 15,729 (1995) (codified at 47 C.F.R. § 63.18).

Vernon requests authorization to operate as a resale carrier pursuant to Section 63.18(e)(2) of the Rules. Unless formally opposed, the present application qualifies for streamlined treatment under Section 63.12 of the Rules. See International Section 214 Streamlining Order, supra at 15,728 (codified at 47 C.F.R. §§ 63.12).

Vernon's proposed resale of telecommunications services will serve the public interest by increasing international telecommunications competition. Vernon will purchase switched telecommunications services at volume discounts, and resell the services to its customers at rates comparable to those charged by other international carriers.

Vernon Telephone Cooperative, Inc. ("VTCI") is a telephone cooperative, none of the members of which cooperative owns a ten percent (10%) or greater interest in its equity.

Vernon: (1) will maintain separate books of account from VTCI, its affiliated local exchange carrier; (2) will not jointly own transmission or switching facilities with VTCI; and (3) will take any tariffed services from VTCI pursuant to the terms and conditions of VTCI's generally applicable tariff.

Vernon will be treated as a nonregulated affiliate of VTCI for purposes of local exchange carrier accounting under the Commission's joint cost and affiliate transactions rules as set forth in Parts 32 and 64 of the Commission's Rules.

#### Foreign Concessions and Arrangements

Vernon hereby certifies that it has not agreed to accept special concessions, directly or indirectly, from any foreign carrier or foreign administration with respect to traffic and revenue flows between the United States and any foreign country which the Applicant may serve under the authority sought; and that it will not enter into such agreements in the future.

#### Anti-Drug Abuse Act Certification

Vernon certifies that, to the best of its knowledge and belief, no party to the application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 862.

CONCLUSION

In light of the foregoing, Vernon respectfully submits that the public interest, convenience and necessity would be served by a grant of the Section 214 authorization sought, and that such authorization should be issued to it for purposes of reselling the switched services of other common carriers to provide international switched telecommunications services between the United States and international points.

Respectfully submitted,  
**VERNON COMMUNICATIONS, LLC**
