Re: Genespidernet Caribbean, Inc. International Section 214 Authority
File No. ITC-214-20010418-00242

Dear Ms. Dortch:

KeyTech Limited ("KeyTech"), the parent company of Genespidernet Caribbean, Inc. ("GSN"), by its undersigned counsel, hereby notifies the Commission that it surrenders GSN's international Section 214 authorization.¹ GSN previously sought Section 214 authority for a planned venture that ultimately never materialized. Therefore, GSN never provided services that required Section 214 authority. Recently, KeyTech dissolved GSN, and therefore KeyTech is making this notification on behalf of the defunct GSN. Given that GSN never provided any U.S. international services that required Section 214 authority, and therefore had no U.S. customers, KeyTech respectfully submits that GSN was not subject to the customer notification requirements of Section 63.19 of the Commission's Rules, 47 C.F.R. § 63.19.

Enclosed are five (5) copies of this filing. Please date-stamp the enclosed extra copy of this filing and return it in the envelope provided. Please contact the undersigned at (202) 295-8360 if you have any questions regarding this filing.

Respectfully submitted,

Troy F. Tanner
Counsel for KeyTech Limited

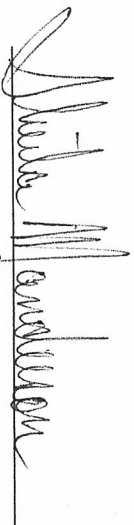

¹ GSN has global facilities-based and resale authority to all international points. See FCC File No. ITC-214-20010418-00242 (effective May 18, 2001), Public Notice, DA No. 01-1278, Report No. TEL-00399 (rel. May 24, 2001).

CERTIFICATION

On behalf of KeyTech Limited, I hereby certify that the statements regarding Genespidernet Caribbean, Inc. in the foregoing Surrender of International Section 214 Authority are true, complete and correct to the best of my knowledge and are made in good faith.

KeyTech Limited
