**ERRATUM TO PETITION TO DENY OR
INFORMAL REQUEST FOR COMMISSION ACTION**

Nicholas Robb, as court-appointed receiver for Oregon Farmers Mutual Telephone Company (“Oregon Farmers”) (hereinafter “Mr. Robb”), by his attorneys, hereby submits this Erratum to his Petition to Deny or Informal Request for Commission Action (“Petition”), filed in the above-captioned application proceeding on October 16, to correct a non-substantive error on the Petition’s Certificate of Service. Specifically, counsel for Mr. Robb is unable to verify that the courtesy email copy of the Petition was successfully sent as indicated on the Certificate of Service.

Since the email is a courtesy and not a requirement and, since the service copy was in fact sent via U.S. Mail as indicated, Mr. Robb submits the instant Erratum to indicate that the reference to delivery of the Petition by e-mail may be incorrect and should be disregarded.

Respectfully submitted,

NICHOLAS ROBB, RECEIVER
