Re: Illinois Valley Cellular RSA 2-II Partnership, Call Signs KNKN582,
WLR374, WMJ917, WMJ920, WMJ921, and WMS645, IBFS File No.
ITC-214-20010507-00292

Dear Ms. Dortch:

This letter notifies the Federal Communications Commission (“FCC”) of an internal corporate restructuring involving indirect wholly owned subsidiaries of Verizon Communications Inc. (“Verizon”) that occurred on November 30, 2011 and that affects the above-captioned licensee and FCC authorizations. Out of an abundance of caution, Cellco Partnership d/b/a Verizon Wireless (“Verizon Wireless”) is filing this letter to notify the Commission of this *pro forma* transfer to the extent it affects its 40 percent non-managing general partner interest in Illinois Valley Cellular RSA 2-II Partnership (the “Partnership”). Verizon Wireless previously transferred its voting rights associated with this general partnership interest to a voting trust.¹

The internal corporate restructuring that occurred involved a *pro forma* transfer of control of Bell Atlantic Mobile Systems, Inc. (“BAMS Inc.”) and its conversion to a limited liability company (Bell Atlantic Mobile Systems, LLC, or “BAMS LLC”). Because BAMS Inc. was (and BAMS LLC now is) a general partner of Verizon Wireless, the restructuring constituted a *pro forma* transfer of control of various licenses and leases held or controlled by Verizon Wireless. More information about this restructuring can be found at ULS File No. 0004872692.

¹ See ULS File No. 0003728249.
