Application

India Tel, LLC (“India Tel”) hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission’s Rules, 47 C.F.R. Section 63.18 to provide global international facilities-based and resale services between the United States and international points. India Tel is a new U.S. company organized to provide international switched service between the United States and various international locations. By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. customers by increasing service options and lowering prices. Thus, the public interest will be served by granting Section 214 authority to India Tel.
