In the Matter of
ORBIS, INC.
Application for authority pursuant File No.
To Section 214 of
Communications Act of 1934,
As amended, for global authority
To operate as an international
Facilities-based and resale carrier

Application

Orbis Telecom LLC (Orbis), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Orbis is a new U.S. company organized to provide international telecommunications services. Orbis has no foreign affiliations. Orbis serves business customers throughout the United States. (Alternatively: Orbis was granted Section 214 authority to provide international switched service between the United States and various international locations. The commission's approval is stated in File No.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Orbis.
