Department of Justice  
Federal Communications Commission

In the Matter of  
Geotel International LC.  
Application for authority pursuant File No.  
To Section 214 of  
Communications Act of 1934,  
As amended, for global authority  
To operate as an international  
Facilities-based and resale carrier

### Application

Geotel International hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Geotel is a new U.S. company organized to provide international telecommunications services. Geotel has no foreign affiliations. Geotel serves business customers throughout the United States and provides international switched service between the United States and various international locations.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Geotel.
