Answer to Question 12:

MetroPCS Wireless has no officers or directors in common with any foreign carrier.

Answer to Question 13:

MetroPCS hereby notifies the FCC of the *pro forma* assignment of its international Section 214 authorization from MetroPCS to MetroPCS Wireless via merger of these two entities. This assignment was consummated on November 13, 2006, pursuant to an internal restructuring of the company in an effort to streamline its operations and increase operating efficiencies. Due to an administrative oversight, the required post-consummation notification to the International Bureau was not filed within the 30-day window as required by FCC Rule 63.24(f)(2).⁴ MetroPCS certifies that this assignment was *pro forma* and did not result in any change in the actual controlling party.

The following wholly-owned subsidiaries of Assignee, all of which are Delaware entities, may provide service pursuant to the international Section 214 authorization that is the

³ Accel IV, LP consists of an affiliated group of investors including Accel Internet Fund III L.P., Accel Investors '94 L.P., Accel Investors '99 L.P., Accel IV LP, Accel Keiretsu L.P., Accel VII L.P., ACP Family Partnership L.P., Arthur Patterson and Ellmore C. Patterson Partners, which hold in the aggregate a direct 11.72% ownership interest in MetroPCS Communications.

⁴ Generally, the licenses held by subsidiaries of ultimate parent MetroPCS Communications are held by lower tier operating subsidiaries, and not by intermediate subsidiaries such as MetroPCS. As a consequence, the company implemented the reorganization of its intermediate subsidiaries in the mistaken belief that no licensed subsidiary was directly affected. An updated ownership report was timely filed with the Wireless Telecommunications Bureau and, as soon as MetroPCS Communications recognized that it had overlooked the Section 214 authorization held by Assignor, it commenced the preparation of this corrective filing to the International Bureau.
