INTERNATIONAL SECTION 214 AUTHORIZATION
ITC-214-20020115-00011

Latin American Nautilus Service Inc. (FRN 0005902713) (“LAN Service”), previously the holder of International Section 214 Authorization ITC-214-20020115-00011, merged into its parent Latin American Nautilus U.S.A. Inc. (FRN 0007862899) (“LAN USA”), adopted May 5, 2010, by FCC grant of the application for approval of a *pro forma* assignment of authorization from LAN Service to LAN USA, file no. ITC-ASG-20100427-00175.

LAN USA comes now to surrender the International Section 214 Authorization previously held by LAN Service, ITC-214-20020115-00011, because LAN USA will conduct its business under its own International Section 214 Authorization, ITC-214-20010718-00384.
