NON-STREAMLINED INTERNATIONAL APPLICATIONS ACCEPTED FOR FILING Section 214 Application (47 C.F.R. § 63.18)

Unless otherwise specified, the following procedures apply to the applications listed below:

The applications listed below have been found, upon initial review, to be acceptable for filing. These applications are not subject to the streamlined processing procedures set forth in section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications shall not be deemed granted until the Commission affirmatively acts upon the application. Operation for which authorization is sought may not commence except in accordance with any terms or conditions imposed by the Commission.

Interested parties may file comments with respect to these applications within **21 days** of the date of this public notice, and Applicants may file replies within **7 days** thereafter. We request that such comments and replies refer to the application file numbers shown below. *Ex parte* communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for the "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206.

Copies of the applications listed here are available for public inspection in the FCC Office of Public Affairs Reference and Information Center, located in room CY-A257 at the Portals 2 building, 445 12th Street SW, Washington, DC 20554. The center can be contacted at (202) 418-0270. The applications listed are subject to further consideration and review, and may be returned and/or dismissed if not found to be in accordance with the Commission's rules, regulations, and other requirements.

ITC-214-20020621-00313
Qwest Communications Corporation

International Telecommunications Certificate

Services: Global International Facilities-Based and Resale Services

Application for authority to provide service in accordance with the provisions of section 63.18 (e)(1) and (2) of the Commission's rules, specifically: (1) authority to provide global international facilities-based service between all points in Colorado, Idaho, Iowa, Nebraska, and North Dakota and all international points, except those countries listed on the Commission's exclusion list; and (2) authority to provide resale service between all points in Colorado, Idaho, Iowa, Nebraska, and North Dakota and all international points, except those countries listed on the Commission's exclusion list. Pursuant to section 63.10 of the Commission's rules, Applicant requests non-dominant treatment for all routes.

The application covers traffic originating in the states of Colorado, Idaho, Nebraska, and North Dakota, which are "in-region" states of Qwest Communications International, Inc. (Qwest). Applicant requests grant of this application at the same time that Qwest is legally permitted to provide in-region interLATA service in the states of Colorado, Idaho, Iowa, Nebraska, and North Dakota under section 271 of the Communications Act of 1934, as amended, 47 U.S.C. § 271. Commenters should limit their comments in this proceeding to issues specific to the requests of Qwest for authorization under section 214 to provide international service. Issues related to whether Qwest has met the criteria under section 271 for entry into interLATA services in the states of Colorado, Idaho, Iowa, Nebraska, and North Dakota, will be addressed in the context of the pending section 271 application for those states. See Comments Requested on the Application by Qwest for Authorization under section 271 of the Communications Act to Provide in-region, interLATA Service in the States of Colorado, Idaho, Iowa, Nebraska, and North Dakota, **WC Docket No. 02-148, Public Notice, DA-02-1390 (rel. June 13, 2002)**.

REMINDER

Applicant must certify that neither the applicant nor any party to the application is subject to a denial of federal benefits by federal and/or state courts under authority granted in 21 U.S.C. § 862. See 47 C.F.R. §§ 1.2001-.2003. The Commission most recently amended its rules applicable to international telecommunications common carriers in IB Docket No. 98-118, Review of International Common Carrier Regulations, FCC 99-51, released March 23, 1999, 64 Fed Reg. 19,057 (Apr. 19, 1999). An updated version of Section 63.09-.24 of the rules, and other related sections, is available at <http://www.fcc.gov/ib/td/pf/telecomrules.html>.

For additional information concerning this matter, contact Cara Grayer, Policy Division, International Bureau, (202) 418-2960, TTY (202) 418-2555.
