RE: TCS Communication Solutions, LLC, *Notification of Pro Forma transfer of Control of Section 214 Authority*, File No. ITC-214-20040302-00080, Surrender of Authority

Dear Secretary Dortch:

Pursuant to Section 63.19, Special procedures for discontinuances of international services, of the Commission's rules, 47. C.F.R. §63.19, TCS Communication Solutions, LLC ("TCS") hereby surrenders international Section 214 authority ITC-214-20040302-00080 effective December 28, 2020, and provides the following information.

TCS is a non-dominant provider of discretionary pre-paid calling card service. Company's service may be used to place domestic and international calls, the latter under Section 214 authority<sup>1</sup> granted by the Commission. TCS has made an affirmative decision to cease providing services on December 28, 2020. Because the identity of affected customers is seldom known, TCS has incorporated a pre-recorded voice message that is automatically played at the time a user accesses Applicant's network access number, and which directs the caller to Applicant's web site, [www.tcsnotice.com](http://www.tcsnotice.com), for more information. Applicant has also provided the text of its discontinuance notice to its two distributors to inform recurring card purchasers whose identities are known to distributors. TCS will refund credit balances for all requesting customers through January 15, 2021 with proof of purchase and contact information.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.

## IMPORTANT SERVICE DISCONTINUANCE NOTICE

To All TCS Communication Solutions, LLC (TCS) Prepaid Calling Card Users

Effective December 28, 2020, TCS is discontinuing its prepaid calling card services. Users will no longer be able to place calls using TCS prepaid cards to place domestic or international calls.

Users who have a remaining account balance may request a refund with proof of purchase and contact information through January 15, 2021. No refunds will be accepted after January 15, 2021.

Please contact customer service at 410.725.4700 for additional information.

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of (carrier's name). Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

Thank you.
