Dear Sirs:

Re: Application of Saskatchewan Telecommunications
for Extension of Special Temporary Authority
Section 214 International License

I am legal counsel employed by Saskatchewan Telecommunications ("SaskTel") of Regina, Saskatchewan, Canada.

SaskTel was granted a Section 214 Special Temporary Authority on June 5th, 2006 by your division with an expiry date of December 2nd, 2006. This STA issuing to SaskTel was necessitated by the acquisition by SaskTel of the international facilities-based and resale operation business of Navigata Communications Ltd., an affiliate of SaskTel.

I note that the application of Navigata Communications Ltd. for a Section 214 International License filed in February of 2005 and subsequently assigned to SaskTel, remains pending for determination with the Commission. Since the grant of the STA noted to my client in June of this year, SaskTel has continued to carry on in the ordinary course the former international facilities-based and resale operation business it acquired from Navigata Communications Ltd. SaskTel will continue to carry on that business for the foreseeable future.

Accordingly, my client requests that an extension of the above noted STA be granted by the Commission. My client is in the process and should shortly complete filing of the reports necessary to comply with the dominant carrier safeguards in 47 CFR 63.10(c)(2), (c)(3), (c)(4) and (e). My client, SaskTel,
