Re: Notice of Relinquishment of International 214 Authorizations of Globe Wireless LLC

Dear Ms. Dortch:

Pursuant to Section 63.19 of the Federal Communications Commission ("FCC") rules¹, Globe Wireless LLC ("Globe Wireless") hereby submits this notice of relinquishment of its International 214 authorizations (ITC-214-20031029-00498²; ITC-214-20050607-00212³). Globe Wireless is not providing regulated telecommunications services subject to the requirements of 47 U.S.C. § 214. Globe Wireless therefore files this letter to notify the FCC that these authorizations are unneeded.

Globe Wireless submits that no customer notice is required under 47 C.F.R. § 63.19 because Globe Wireless does not provide international common carrier telecommunications services and has no international common carrier customers to notify.

This notice is being filed electronically via IBFS. Should you have any questions with respect to this matter, please contact the undersigned.

Respectfully submitted,

/s/ David L. Martin
