Re: Petition by Mercantel Communications, L.P. pursuant to Section 214 of the Communications Act of 1934, as amended, and Section 63.19 of the Commission's Rules, to discontinue its international services as a reseller of telecommunications services

Dear Ms. Dortch:

Enclosed for filing please find six (6) copies of this letter submitted by Mercantel Communications, L.P. ("Mercantel") to discontinue its authority to provide international services as a reseller of telecommunications services. Mercantel currently holds a 214 international resale license (ITC-214-20050809-00311) but has not provided any telecommunications services since 2006. Based on this, Mercantel has no customers to notify in conjunction with this filing. Mercantel is scheduled for dissolution in the coming weeks and wishes to relinquish its authority to provide telecommunications services in advance of this event.

Please acknowledge receipt of this filing by date stamping the attached copy of this letter and returning it in the enclosed postage pre-paid envelope. Any questions regarding this application may be directed to the undersigned at (972) 910-1453 or at becky.gipson@excel.com. Mercantel appreciates your time and assistance in processing this petition.

Respectfully submitted,

Becky Gipson
