Re: ITC-214-20051005-00395

Dear Mr. Griboff:

By this filing, Vizada, Inc. withdraws the above pending application.

Vizada Satellite, Inc. ("VSI"), formerly known as Telenor Satellite, Inc. filed the subject application in October 2005 seeking Section 214 authority to provide Inmarsat BGAN service as a facilities-based and resale provider via Inmarsat-4 satellites.

Following that application by VSI, Vizada, Inc. (formerly known as Telenor Satellite Services, Inc.), filed an application seeking Section 214 authority to provide Inmarsat BGAN and Inmarsat Existing and Evolved services as a facilities-based and resale provider via the Inmarsat 4F2 Satellite located at 52.75 degrees W.L. (File No. ITC-214-20061213-00559).

As the result of an internal restructuring that merged VSI into Vizada, Inc., Vizada, Inc. amended the subject application to substitute itself for VSI as the Applicant.

Because ITC-214-20051005-00395 is a duplicative filing to ITC-214-20061213-00559, Vizada, Inc. wishes to now withdraw ITC-214-20051005-00395.

For the reasons above, Vizada withdraws the subject application and respectfully requests that the International Bureau grant the ITC-214-20061213-00559 application, as amended most recently in File No. ITC-AMD-20090102-00001.

Please contact the undersigned with any questions regarding this filing.

Respectfully submitted,
