File No.: _____

REQUEST BY NINETEL, INC. FOR DISCONTINUANCE OF SERVICE
(SURRENDER OF INTERNATIONAL SECTION 214 AUTHORITY)

NINETEL, INC., (hereafter called "Applicant") hereby requests approval by the Federal Communications Commission ("Commission") for the Discontinuance of Service pursuant to 47 U.S.C. § 214 et. al. and as required by 47 C.F.R. § 63.19, *Special Procedures for Discontinuance of International Services*, and 47 CFR § 63.71 of the Commission's Rules ("Discontinuance"). The following information is submitted, as required by 47 CFR § 63.71 and 47 C.F.R. § 63.19 of the Commission's Rules, in support of Applicant's request for Discontinuance and Surrender:

47 C.F.R. § 63.71 (a) Statement:

Carrier Name:	NINETEL, INC.
File No.:	ITC-214-20051212-00498
Carrier Address:	168 SE 1st Street, Suite 603, Miami, FL 33131
Date to Discontinue Service:	September 24, 2010
Geographic Service Area(s):	Florida
Description of Service(s):	Telecommunications
Notices to Customers:	Pursuant to 47 C.F.R. § 63.19

47 C.F.R. § 63.71 (a)(5)(i) Statement:

NINETEL, INC. is non-dominant with respect to the services being discontinued. No customers have been served by the Carrier since September 24, 2010. NINETEL, INC. has been completely inactive and out-of-business since that time.

47 C.F.R. § 63.19 Compliance:

NINETEL, INC. has no customers at this time and since September 24, 2010. Pursuant to 47 C.F.R. § 63.19, NINETEL, INC. would have been required to give notice to all affected customers of the planned discontinuance at least 60 days prior to its planned action. Such Notice would have been in writing to each affected customer. Good Cause exists in not providing such notice, or alternative notice, as there are currently no customers being served by the carrier in the particular case of NINETEL, INC. Should notice pursuant to 47 C.F.R. § 63.19 had been necessary, NINETEL, INC. would have presented the Notice found in Exhibit 1 of this Request.

Regulatory Fee Liability Statement:

NINETEL, INC. has not petitioned for Bankruptcy Protection under U.S. Federal or State Bankruptcy Protection, and does not intend to do so within the next consecutive ninety (90) calendar days. NINETEL, INC. certifies, by and through the undersigned corporate officer Mr. Hernan Banato, that it has made arrangements to pay regulatory fees outstanding to the Commission and has reviewed the FCC Fee Filer system to identify regulatory fees outstanding. NINETEL, INC. will continue to reach out and pay to the Commission's Sub-agencies and Assigns administering and collecting Regulatory fees for the Commission, including for payment of Universal Service Fund Contributions, Telecommunication Relay Service Fee, North American Number Plan Contributions, Local Number Portability Administration Contributions and the FCC ITSP Fee.

NINETEL, INC. understands that delinquent telecommunication contributors/debtors fall under the Commission's "red light rule" and that the red light rule requires the Commission to withhold action on applications and other requests for benefits when the Entity applying for or seeking benefits is delinquent in non-tax debts owed to the Commission, and to dismiss such applications or other request if the delinquency is not resolved. **NINETEL, INC. understands that the failure to pay all outstanding regulatory fees may result in either a Withhold of Action or Dismissal of this application by the Commission.**

NINETEL, INC. hereby certifies that it has notified and submitted a copy of this application to the Secretary of Defense; to the state PUCs; and the governors of the states in which service will

be affected, as required by law and regulation based upon NINETEL, INC.'s service and service areas.

CONCLUSION

In conclusion of the foregoing Application, NINETEL, INC. certifies that all of the information in this application is accurate and correct. For these reasons, respectfully requests that the Commission grant this application.

Respectfully submitted,

NINETEL, INC.
