Angela,

We do not have a copy of the letter in the file, so I assume that we never received it. 47 CFR Section 1.743 states that "applications, amendments thereto, and related statements of fact required by the Commission must be signed by the applicant," and this would include a surrender. Since the applicant is required to sign the initial application, they are also required to sign the surrender.

If the company filed their 2009 499 form indicating \$0.00 revenue, I don't believe they should have any fees from that point on. However, they should check it to make sure. I am not involved in that side.

Hope this helps.

JoAnn

I will get an authorization from the client. I did not receive any notification back in 2008 that this was needed. The client has not done anything since 2008 - are there any fees, etc. that they will have to pay from then til now?

We thought this was all taken care of back in 2008.

Angela,

In order for us to process a surrender, the authorization holder must either sign the surrender letter or, if their legal counsel signs the letter, a certification signed by the authorization holder advising us that they are aware of the surrender, must be attached to the surrender letter. You may file the surrender letter and attached certification via "Pleadings and Comments" in IBFS.

Feel free to contact either Adrienne or myself if you have any questions.

Thanks.

JoAnn

Adrienne,

Yes - they do wish to surrender their 214. They have already provided information to surrender their 499 (attached) on their letterhead if this would suffice. Thanks.

Ms. Janssen,

9/1/2010

I have reviewed the attached letter for Surrender of the 214 authorization and noticed it was signed by the legal counsel for Telecommunications Systems Corporation of Maryland. In order for us to continue with the Surrender I need a confirmation by the license holder that they wish to surrender. If you could give me a call we can discuss this further. My number is 202-418-0412. Thanks.

To whom it may concern,

Attached please find a copy of a Surrender of Section 214 for Telecommunications Systems Corporation of Maryland submitted back on June 3, 2008.

I do not see if reflected on the 214. Can you let me know when surrender should occur and when it would show up on the IBFS system.

Thanks -
