**PETITION TO ADOPT CONDITIONS TO
AUTHORIZATIONS AND LICENSES**

The United States Department of Justice (“DOJ”), including the Federal Bureau of Investigation (“FBI”), together with the United States Department of Homeland Security (“DHS”) (collectively, the “Agencies”), respectfully submit this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”), pursuant to Section 1.41 of the Federal Communications Commission’s (“FCC” or “Commission”) rules.¹ Through this Petition, the Agencies advise the Commission that they have no objection to the Commission granting its consent in the above-referenced proceeding, provided that the Commission conditions the grant on BTI America LLC (“Applicant”) abiding by the commitments and undertakings contained in their October 6, 2006 letter to Sigal P. Mandelker, Stewart A. Baker, and Elaine N. Lammert (the “Letter”) attached hereto as Exhibit I.

¹ 47 C.F.R. § 1.41.

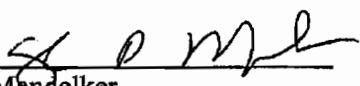

In the above-captioned proceeding, the Applicant seeks an application for authority to provide global or limited global facilities-based services in accordance with section 63.18(e)(1) of the FCC Rules, and also to provide service in accordance with Section 63.18(e)(2) of the FCC Rules.²

As the Commission is aware, the Agencies have taken the position that their ability to satisfy their obligations to protect the national security, enforce the laws, and preserve the safety of the public could be impaired by transactions in which foreign entities will own or operate a part of the U.S. telecommunications system, or in which foreign-located facilities will be used to provide domestic telecommunications services to U.S. customers. After discussions with the Applicant's representative in connection with the proposed application, the Agencies have concluded that the commitments set forth in the Letter will help to ensure that the Agencies and other entities with responsibility for enforcing the law, protecting the national security, and preserving public safety can proceed in a legal, secure, and confidential manner to satisfy these responsibilities. Accordingly, the Agencies hereby advise the Commission that they have no objection to the Commission granting the above-referenced Applications, provided that the Commission conditions its consent on compliance by the Applicant with the commitments set forth in the Letter.

The Agencies are authorized to state that the Applicant does not object to the grant of this Petition.

Respectfully submitted,

Re: Pending Application by BTI America LLC for Authority to Provide
Global Facilities-Based and Resale Services Between the United States
and Certain International Points under Section 214 of the Communications
Act of 1934

Dear Ms. Mandelker, Mr. Baker, and Ms. Lammert:

This letter outlines the commitments made by BTI America LLC ("the Company"), to the U.S. Department of Justice ("DOJ"), including the Federal Bureau of Investigation ("FBI"), and to the U.S. Department of Homeland Security ("DHS"), in order to address national security, law enforcement, and public safety concerns raised with regard to the Company's application to the Federal Communications Commission ("FCC") for authority to provide international facilities-based and resold services to all international points under pursuant to Section 214 of the Communications Act of 1934, as amended.

The Company agrees that, for all customer billing records, subscriber information, and any other related information used, processed, or maintained in the ordinary course of business relating to communications services offered to U.S. persons ("U.S. Records"), the Company will make such U.S. Records available in the United States in response to lawful U.S. process. For these purposes, U.S. Records shall include information subject to disclosure to a U.S. Federal or state governmental entity under the procedures

specified in Sections 2703(c) and (d) and Section 2709 of Title 18 of the United States Code. The Company agrees to ensure that U.S. Records are not made subject to mandatory destruction under any foreign laws. The Company agrees to take all practicable measures to prevent unauthorized access to, or disclosure of the content of, communications or U.S. Records, in violation of any U.S. Federal, state, or local laws or of the commitments set forth in this letter.

The Company agrees that it will not, directly or indirectly, disclose or permit disclosure of or access to U.S. Records, or to any information (including the content of communications) pertaining to a wiretap order, pen/trap order, subpoena or other lawful demand by a U.S. law enforcement agency for U.S. Records, to any person if the purpose of such disclosure or access is to respond to the legal process or request on behalf of a non-U.S. government without first satisfying all pertinent requirements of U.S. law and obtaining the express written consent of the DOJ and DHS or the authorization of a court of competent jurisdiction in the United States. The term "non-U.S. government" means any government, including an identified representative, agent, component or subdivision thereof, that is not a local, state or Federal government in the United States. Any such requests or legal process submitted by a non-U.S. government to the Company shall be referred to the DOJ and DHS as soon as possible, and in no event later than five (5) business days after such request or legal process is received by or known to the Company, unless the disclosure of the request or legal process would be in violation of U.S. law or an order of a court in the United States.

The Company has designated Thomas K. Crowe, a U.S. citizen, as its point of contact within the United States with the authority and responsibility for accepting and overseeing compliance with a wiretap order, pen/trap order, subpoena or other lawful demand by U.S. law enforcement authorities for the content of communications or U.S. Records. The Company shall promptly notify the FBI, DOJ and DHS of any change in its designated point of contact. Any new point of contact shall be a resident U.S. citizen, and the Company shall cooperate with any request by a U.S. government authority that a background check or security clearance process be completed for a designated point of contact.

The Company agrees that it will notify the FBI, DOJ, and DHS promptly if there are material changes in any of the facts as represented in this letter. All notices to be provided to the FBI, DOJ, or DHS shall be directed to the named addressees of this letter.

The Company agrees that, in the event the commitments set forth in this letter are breached, in addition to any other remedy available at law or equity, the DOJ, FBI, or DHS may request that the FCC modify, condition, revoke, cancel, or render null and void any relevant license, permit, or other authorization granted by the FCC to the Company or any successor-in-interest to the Company.

Nothing in this letter is intended to excuse the Company from any obligation they may have to comply with U.S. legal requirements for the retention, preservation, or production of information, records or data, or from any applicable requirements of the Communications Assistance for Law Enforcement Act, 47 U.S.C. § 1001, et seq., nor shall this letter constitute a waiver of: (a) any obligation imposed by any U.S. Federal, state or local laws on the Signatories, (b) any enforcement authority available under any U.S. or state laws, (c) the sovereign immunity of the United States, or (d) any authority the U.S. government may possess (including, without limitation, authority pursuant to the International Emergency Economic Powers Act, 50 U.S.C. § 1701, et seq.) over the activities of the Signatories. Nothing in this letter is intended to, nor shall it to be interpreted to, require the parties to violate any applicable U.S. law. Likewise, nothing in this letter limits the right of the United States Government to pursue criminal sanctions or charges against the Signatories, and nothing in this letter provides the Signatories with any relief from civil liability.

We understand that, upon execution of this letter by an authorized representative or attorney for the Company, the DOJ, FBI, and DHS shall notify the FCC that the DOJ, FBI, and DHS have no objection to the FCC's grant of the Company's application filed with the FCC.

Sincerely,

BTI America LLC
