Re: Long Lines, LLC - 47 C.F.R. Section 63.21(h) Notification

Dear Ms. Dortch:

Long Lines, LLC ("Long Lines") was recently granted Section 214 authority to provide global resale services.¹ 64 C.F.R. Section 63.21(h) provides that a carrier may provide service through any direct or indirect subsidiaries provided that notifications of such arrangements are filed with the Commission. This is to advise the Commission that on or immediately after August 17, 2006 the Long Lines' subsidiaries on the attached page provided international service pursuant to Long Lines' authorization.

Very truly yours,

Dana Frix

Counsel for Long Lines, LLC
