Mrs. Sutton,

Per my last email, the applicant is send the check payments to clear up their item from the Red Light Status. Please see attachment for proof of check payments sent to the FCC.

I am not sure how long it will take FCC Accounts Receivable to process the checks and clear the Red Light but please note proof of payment.

Hopefully, this will allow applicant to get the FCC 214 Final Approval. If not, I'll keep an eye on FCC Fee Filer System to see when the FCC Accounts Receivable gives the green light.

If you have any questions, please feel free to contact me either by telephone or email.  
Best Regards

Shannon,

Attached is a copy of 2 separate checks that were sent on 2/3/09 for payment of MultiASP Corp's redlight debt. The payments have not yet come through the system. Could you please check on them and possibly help to get them credited to their account. Their application is ready to be granted; we're just awaiting processing of these checks.

Thanks a lot!!

JoAnn
