Subject: Application for FCC214

Dear Mikelle,

This note is to confirm our conversation on the following to application items:

On Page 3 of the application we should replace Debbie Fisher name, with my name and title Lucas J Caruso CEO / Owner

Also, note that 75% Investor, Coleman County Telecommunications is a subsidiary of Coleman County Telephone COOP. No one in Coleman County Telecommunications or Coleman County Telephone Coop owns more than 10% of the COOP, due to it's Coop Status.

Hope this clears our application for approval.

Thanks
Lucas J Caruso
