Re: Section 63.21(h) Notification
American Georgetown, Inc.

Dear Madam Secretary:

Pursuant to Section 63.21(h) of the Commission's Rules, American Georgetown, Inc. ("AGI"), holder of international Section 214 authorization under File No. ITC-214-20061017-00476 (the "Authorization"), hereby notifies the Commission that effective November 9, 2010 it provides international service through its direct wholly-owned subsidiary, Georgetown Telephone Company, Inc. ("GTC").

To update the Commission's records, AGI also notes the following. On October 20, 2010, AGI informed the Commission pursuant to Section 63.21(h) that its wholly owned subsidiary Georgetown Communications, Inc. ("GCI") was operating under AGI's Authorization. The effective date of GCI's operation under the Authorization was October 11, 2010, the same date of the pro forma assignment of the Authorization as noted by GCI and AGI in their October 12, 2010 pro forma notification submission to the Commission. Effective November 9, 2010, GCI is no longer operating under the Authorization coincident with the transfer of its customer base to GTC pursuant to Section 64.1120(e)(1) of the Commission's rules and the filing made by GTC in CC Docket No. 00-257 on October 6, 2010.

Respectfully submitted,

By:
